

160mm Injection Insulated Diagonal Cutter

Basic data:

ID	0001650002
GTIN	7630268400590

Features:

- * High Performance Diagonal Cutters, Insulated, Nose Type Oval, Overall Length 160mm, Beval Cut, Material Cr-V shaft, Handle Type Ergonomic, Handle Color Red/Yellow, Voltage Rating 1000V, Features Forged-On Axle
- * VDE insulation up to 1000V according to DIN EN/IEC 60900

Technical data:

Shape:	Standard
Length:	160 mm
Length cutting blade:	22 mm
Head width:	28 mm
Head height:	12 mm
Insulated:	Yes
Isolation protection 1000 V:	Yes
Handle cover:	Plastic grips
Surface protection:	Other
