

Force Basic 13G Black Nylon Shell Black PU Palm Coated Glove L, 3 Pairs

Basic data:

ID	0020990103
GTIN	7630268402778

Features:

These seamless knit gloves have a palm-dip polyurethane coating makes it good tactile sensitivity and super fit for precision engineering and small parts assembly work, etc. It is breathable and provides good dexterity and grip in dry and light oily conditions, that is can be used in automotive industry and industrial maintenance. They are less abrasion- and oil-resistant than nitrile-coated gloves. The palm-dip coating protects the palm-side of the hand from abrasion and leaves the back-side of the hand uncoated for breathability. Seamless Nylon knit gloves are flexible and very comfortable, breathable and form-fitting and have a knit cuff to keep the glove in place and keep out dirt and other contaminants. Meet EN388:2016+A1:2018 4131X.

Technical data:

Glove size (US):	L
Material:	Other
Material quality:	Other
Colour:	Black
Protection against mechanical risk:	Yes
Model:	5-finger
Coating:	Palm coated
Surface finishing:	Other
Type of closure:	Elastic cuff
Thickness:	1.11 mm
Type of delivery:	Pair
Cuff type:	Wrist length cuff
